A look backwards to a time and life in the Pyrenees of which practically no trace remains.

The chronicle of one of the most devastating tragedies in the history of the Pyrenees: the last person sentenced to death in Andorra.

This is the story of a fratricide that shook the Pyrenees.

In 1943, Andorra was trying to resist the attacks of the European powder keg. Spain was immersed in the worst post-war period, with the republican exodus underway and fascism prevailing proudly; France was under the occupation of Nazis, who were especially interested in the Andorran mountains. In this context, and in between them, the most notorious crime in the Andorran black chronicle took place. Months later, the brother who remained alive was sentenced to death and humiliated in the public square. Which death was more unfair? This book is the attempt to give an answer.

Why La Casa de Carlota is unique in the world?

Josep Maria Batalla, founder of the successful craziness La Casa de Carlota (LCDC) shares the lessons he has learned next to the most creative team one can think of. Look what **The Guardian** said:

<https://www.youtube.com/watch>

- It is the only company in the world to receive **recognition from the United Nations** for working Down Syndrome people in creative projects.
- Downs and autists are paid exactly the same as their colleagues, they are not the greenwash quota. It is **not a foundation nor a NGO nor a social project** but a real successful design studio.
- One of the few examples of successful labor integration because **LCDC compete as equals with other** companies.

GOALS:

- THEY HAVE CREATED LOGOS FOR FERRAN ADRIÀ/EL BULLI, LA CAIXA, NESTLÉ INTERNATIONAL, DKV... FROM BIG MULTINATIONAL TO SMALL COMPANIES
- AWARDED GOLD MEDAL IN LAUS AWARDS
- THE BUSINESS MODEL IS EXPLAINED AT INTERNATIONALLY RE-OWNED ESADE SCHOOL OF BUSINESS

The book will help you to work better, to have **healthier companies**, to **have fun** at work and, above all, to be a **better happier person**.

“ If you liked **Paul Arden’s** *Whatever You Think, Think The Opposite*, you’ll love this anti-management book. ”

“ **Josep Maria Batalla:**
If you hire a disabled just to have him/her at the reception and think how a good person you are, buy yourself a ficus, which is also cool. Do not use people as elements of greenwashing. ”
